No. 3-29-2010  
Date

From A concerned citizen,  
ya'll need to think about Poor People  
that are allready struggling to  
Pay their Light Bills. Not Everyone  
is Rich.

"PS. I WISH I  
COULD BE AT  
THIS MEETING,

STRUGGLING  
Grandmother  
raising 3 Grand BOYS

I would tell ya'll, this is a bunch  
of bull, but ya'll know ya'll  
have the upper hand no matter  
what the citizens say and we  
have NO CHOICE but to "PAY"  
or be left in the DARK. Now  
say that's a LIE "MAYBE ONE  
DAY ya'll won't be so lucky as  
to pay your ridiculous light bills!  
"Now go ahead and Jack mine  
way up, for speaking my Peace."
